Dear Parents and Carers,

We are delighted to inform you that we have organised a highly informative and engaging trip to a Synagogue on Thursday 4<sup>th</sup> July. This unique opportunity will provide our students with a guided tour of the Synagogue and Heritage Centre, offering a deep understanding of the Jewish faith. In addition to the tour, students will also be able to participate in a range of 'hands-on' activities that will enhance their learning experience.

The primary objective of this visit is to foster tolerance, respect, and understanding among our students towards different cultures and religions. By immersing themselves in the Jewish community through this educational trip, we hope to develop their appreciation for diversity and promote a sense of unity.

To ensure the smooth execution of this excursion, we kindly request a voluntary contribution of £6 per student, which is payable on ParentPay. This will help cover some of the necessary expenses associated with the visit. We understand that financial circumstances may vary, and any student who is unable to contribute the full amount will not be excluded from participating in this valuable experience. Our aim is to offer equal opportunities to all students, regardless of financial constraints. Please be aware that if we don't receive enough contributions the trip may not be able to take place.

The trip will commence in the morning, and students will return to school in time for lunch. They will need to wear their school uniform as usual, and do not require anything additional. Throughout the trip, they will be supervised by our dedicated staff members, who will ensure their safety and well-being.

We value your continued support and firmly believe that this visit to the Synagogue will be an enriching experience for our students, promoting cultural awareness and understanding.

Should you have any specific concerns or require further information, please do not hesitate to contact us.

Mrs Hagger
