

September 2024

Dear Parents/Carers of Year 6 Pupils

Re: Brockington College open mornings and evening

I am delighted to invite you and your child to visit Brockington College, as you prepare to apply for a secondary school place.

Open mornings

We will be holding a series of open mornings where the college will be open to visitors during our working day. Parents/carers and children will be given tours of the school over the course of the morning and will have the chance to visit classrooms to see teaching in action. I would urge you to visit with your child on the designated day for their primary school, to get a real feel for the ethos and atmosphere that makes Brockington such a special place to learn. The details of these visits are outlined on page 2 of this letter and the headteacher of each primary school has kindly allowed the visit to take place during the school day. I hope that you are able to join us at the relevant open morning. In order for us to determine numbers of visitors on site, please could I ask you to register to attend via this link: <https://forms.office.com/e/FVdqEcSBYn>

Open evening

We will also be holding our annual open evening on **Wednesday 25 September 2024 from 5.30pm to 7.30pm**. This will not only give you and your child a further opportunity to view the college, but also to see displays and activities and to speak to teachers and support staff, who will provide information about the college and answer any questions that you may have. I will also be leading a series of presentations about life at Brockington College and our unique vision and ethos.

We look forward to welcoming you to Brockington College but if you have any questions prior to your visit, please contact the college and we will do our best to help.

Yours sincerely

Sadie Batstone
Principal

AN INVITATION TO SEE BROCKINGTON COLLEGE AT WORK

Year 6 pupils and their parents/carers are invited to visit as follows:

OPEN MORNINGS 2024
